## Experience

### Health Star Dental

**Long Island**

*Digital Engineer*

July 2023–Present

- Created a program to automate sorting of orders, reducing task time from 1 hour to 2 minutes
- Responsible for data entry and communication between clients and suppliers
- Helped create and deploy a renewed company website using Javascript and HTML/CSS

### Personal Projects/Coursework

**Boston, MA**

*Developer*

June 2022–Present

- Currently creating a full-stack application using Ruby on Rails
- Co-created an e-commerce website using the MERN stack, implementing OAuth, Stripe Pay, and Axios
- Created a middle layer to implement a matching between SQL commands and Berkeley DB
- Used Java to create a discrete event simulator, and a multi-thread MD5 hash breaker

### The Coding School

**Boston, MA**

*Python Tutor*

April 2022–August 2022

- Taught weekly classes in python to students in underrepresented groups in STEM, from ages 14-16
- Acted as a point of contact between parents and the organization to tailor each curriculum to the students' needs
- Helped a student implement a search-bot using pyautogui to facilitate NFT trading
- Worked closely with parents and the company to create a custom curriculum for each student

### Boston University Healthcare for the Homeless

**Boston, MA**

*President*

May 2022–September 2022

- Completed a merger with a sister organisation to form one of the largest community service clubs in BU

*Vice President*

January 2021–May 2022

- Oversaw the growth of club from 50 members to 150+ members, and the addition of new E-board roles
- Communicated with external non-profit companies to organize events and guest-speakers
- Successfully entered a partnership with 3 non-profit organizations to provide internship to general members
- Organized and scheduled the club members to participate in our yearly University-wide club festival

*Chair of Communications*

Sep 2021–January 2022

- Sent out weekly newsletters to members of the club, and communicated with other university organizations
- Organized and took part in fundraising events for charities in Boston to provide aid for the homeless
- Scheduled meetings with charities to provide volunteering opportunities to general members

### RunYang Group Limited

**Shenzhen, China**

*Business Development Intern*

July 2021–August 2021

- Communicated with suppliers to negotiate contracts for raw materials to use in ongoing construction projects
- Participated in the implementation of the back-end structure of a new employee portal by using SQL
- Advised in the development of the English user-interface of an insurance app
- Worked with engineering department to restructure the homepage in preparation for a presentation to members of the C-Suite
